MERCI PETITION

In Re To: My pending request for recognising my right and accordingly granting me the permission to appear in the written exams and juries, as and when these are held.

Reference: My application to Indian Institute of Crafts & Design, Jaipur, vide e-mail dated 23.09.2020 which has been forwarded to RISU by Ms. Toolika Gupta, director IICD, along with her recommendations.

To briefly state my case, I submit as under:

1. I was admitted to IICD, Jaipur in the 1st academic year that commenced in 2019. Thereafter, I stayed in the Institute's hostel, regularly attended all the modules & classes in the 1st semester, and submitted the assignments in a timely/prompt manner.
2. I appeared in all the written exams as well as juries, and passed with good marks.
3. I similarly continued studying during the 2nd semester, attended all the modules and performed well in my class as per the internal assessments of my submissions.
4. Due to COVID-19 pandemic, the Institute had to be closed in March 2020 and online classes were held. Written exams and juries for the 2nd semester could not be held as circumstances did not permit the same.
5. RISU directed promotion of all the students to next academic year, and I thus became a student of 2nd year.
6. I paid the fees for the 3rd semester (1st semester of 2nd year), and kept on attending online classes as well as continued making online submissions from my home.
7. During this time, I gained lateral entry in to 2nd year at Srishti Institute of Art, Design & Technology, Bengaluru (Srishti) which is affiliated to Bangalore Central University, Bengaluru.
8. As was required by Srishti, I had to apply for all the transfer related documents, out of which RISU issued the migration certificate and counter signed 1st semester marks' sheet.
9. After this, I learnt from Sh. PM Tripathi Ji (Controller of Examinations, RISU) that since I shall not be on the rolls of RISU, rules would not allow me to appear in written exams and juries for the 2nd semester of 1st year, at the time these are held.
10. My humble submission is that this is an extraordinary situation and I understand that one cannot expect the existing rules to contain provisions to deal with such an unprecedented situation, since authorities could not have envisaged such a possibility to arise and make suitable provisions at the time of framing the rules.
11. Had the COVID-19 pandemic not happened, the exams and juries would have been held at the normal time.
12. That no one can be held responsible for these extraordinary circumstances which call for taking equally extraordinary decisions, keeping in view the critical aspect of this matter as well as severe implications it entails on my future academic carrier.

51/57

13. It needs to be kept in mind that the exams and juries in question RELATE TO THE PERIOD I WAS A STUDENT OF IICD AND ON ROLLS OF RISU AND NOT FOR A PERIOD AFTER THE DATE MY MIGRATION CERTIFICATE WAS ISSUED BY RISU. THIS WILL ENABLE ME TO GET THE MARKS SHEET FOR 2ND SEMESTER AS WELL AS CERTIFICATE OF COMPLETION OF 1st YEAR.
14. It is also submitted that should circumstances ultimately do not permit the written exams and juries to be held, I should be issued CFPD certificate and 2nd semester marks sheet based on the internal assessments forwarded to RISU by the Institute.

SUBMITTED FOR A MERCIFUL CONSIDERATION, SIR

Obediently yours

Manya
